Agenda Item 4.	<u>Report by the State Superintendent of Education</u>
----------------	---

State Superintendent of Education John White provided an update on the intense and increased support that the LDE is providing to teachers to assist with new academic expectations. The LDE has established the following support structures: (1) network teams are working directly with superintendents; (2) district planning teams and district planning guides have been established in every district; and (3) teacher leader teams are doubling to 4,000 next year. Sample test items are being released. The curriculum package for next year is being released. Next year's assessment guides will be produced in the following weeks.
